## 2016 & 17

This period had two major events of importance. Vivekdeep made its entry into the digital world by launching its website. People from far and wide could get themselves associated with Vivekdeep now through this medium and got to know of its growth.

Another event that is worth mentioning is that Vivekdeep was shifted from an old and run-down garage to a pucca house. A signboard at the entrance brought immense sense of pride and belongingness. Not to mention that the regular activities were carried out with heightened fervour.

One major achievement during this time was "the commencement" of girls' section. It was long overdue. Not only did the girls bring cheer and mirth with them, but it also proved that Vivekdeep sheds its light on both the genders without any discrimination.

The second achievement was the construction of Computer Lab. It was Vivekdeep's sincere effort to make the students march with time, that it could procure computers under CSR scheme.

Another achievement of this period worth mentioning is the 2<sup>nd</sup> Annual Day Celebration. Armed with the previous experience, it was professionally conducted in an auditorium with latest amenities.

Other activities continued as usual.

## 2020 & 21

Covid 19 threw seemingly unsurmountable challenges at Vivekdeep. Everything came to a stop for some time. However, when the winds of change blows, many construct shelters and some make windmills. With the help of several generous donors, online classes were started. Students, who were feeling like fish out of water because of suspension of regular classes, soon got accustomed with this new mode of learning with the help of Tablets.

Our Resource Persons left no stone unturned to gear up to this new environment of teaching at the earliest.
